PROFESSIONAL SUMMARY

Final-year Computer Engineering student seeking an internship opportunity as a Full Stack Python Developer / Web Developer. Strong foundation in web development, Python programming, and operating systems (Linux and Windows), built through academic projects and a completed web development internship. Eager to join a professional team, apply technical skills to real-world problems, and grow as a software developer.

TECHNICAL SKILLS

Programming Language: Python
Core Concepts: Data Structures and Algorithms (Basic)
Web Development: Full Stack Web Development, HTML, CSS, JavaScript
Operating Systems: Linux, Windows
Tools & Version Control: Git, GitHub

INTERNSHIP EXPERIENCE

Web Development Intern — Sypersa Pvt. Ltd., Yeola 3 Months
Status: Completed

- Completed a 3-month web development internship, gaining practical exposure to real-world development workflows and industry practices.
- Applied web development concepts including HTML, CSS, and JavaScript in a professional setting.
- Collaborated within a team environment to understand end-to-end web application development processes.

PROJECTS

Smart Traffic Routing Simulator — Web Application Nov 2024 – Mar 2025

- Developed a web application to handle data packets and control network traffic, comparing the AODV and DSDV routing algorithms.

Technologies Used: Java, NS2 (Network Simulator 2), JavaScript, HTML

Employee Management System — Web Application Nov 2022 – Mar 2023

- Developed a web application to manage employee attendance and salary records.

Technologies Used: Python, HTML, CSS, JSON

CERTIFICATIONS

Full Stack Python Development Jun 2022 – Nov 2022
Cyphersa Software LLP

- Completed a comprehensive Full Stack Python Development course, focusing on Python, VS Code, Django, and MySQL for back-end development.
- Learned front-end technologies such as HTML, CSS, and JavaScript to build responsive web applications.

EDUCATION

Bachelor of Engineering — Computer Engineering In Progress | CGPA: 7.43 (6th Sem)

Diploma in Computer Engineering 2023 | 71%

12th Standard (HSC) 2021 | 63%

10th Standard (SSC) 2018 | 70%

CAREER OBJECTIVE

To secure an internship in a professional software development environment where I can gain hands-on experience, continuously improve my technical skills, and contribute to real-world projects while building a successful career as a Full Stack Python Developer.
